

**NEW FLEX XFE 7-15 150  
RANDOM ORBITAL POLISHER \$409.95**

This Flex XFE 7-15 150 is the ultimate auto detailing paint polishing machine that will save you time and money while receiving professional results. This random oscillation also has an exceptionally "long throw" of 15 mm. This machine features: VR microprocessor control, optimized emissions, and a continuous speed control trigger. It weighs 5.2 lbs and contains a 1 year warranty.

**NEW CRISP GLASS CLEANER  
\$10.95/Qt. \$15.95/Gal.**

Just like our RTU Glass Cleaner, Crisp is ready to use, with no mixing or diluting. CRISP will effectively clean glass, plastic mirrors, and chrome without leaving a film or smears. Works great on very dirty interior car windows! Crisp has a pleasant Green Apple scent and contains an ingredient that will help refract light in a different manner than your typical glass cleaner.

**NEW RUPES NANO I-BRID KIT  
\$560/Short Neck \$590/Long Neck**

The Rupes Big Foot iBrid Nano is a battery powered handheld polisher that allows you to buff in hard to reach areas. iBrid allows the user to switch between rotary, 3mm random orbital, and 12mm random orbital actions very quickly. This gives you an unparalleled amount of versatility and power.

**NEW VORTEX DRY CLEANING GUN \$49.95**

The Vortex Dry Cleaning Gun is a great tool to use to blow out auto interiors to remove debris from underneath seats, pockets, rear shelves above seats, etc. Detail King also like this tool to assist with drying and dressing wet engines after power washing and detailing them.

**NEW TORNADOR ZV-240  
VELOCITY VAC DRY \$159.95**

The Tornador ZV-2000 Velocity Vac Dry is an innovative tool which combines pressurized air with high powered vacuum suction. By combining the outstanding cleaning power of two machines in one, the Velocity Vac Dry makes cleaning carpets and upholstery easier than ever!

**NEW HI PRESSURE FOAM GUN  
W/SPRAYER \$129.95**

Our Hi Pressure Foam Gun w/Sprayer has a new heavy duty design, ideal for professional touchless car wash. Includes quick release connector foam lance. Adjustable air injection technology gives you precise flow control. Variable, adjustable spray nozzle accurately mixes detergent to control the blasting, billowing foam. 1 liter fluid tank. Works with any pressure washer up to 5000 psi. Includes spray gun.

**NEW LAKE COUNTRY THINPRO  
6.5" HYBRID PADS \$12.95/Each \$77.95/All**

These new lightweight 6.5" foam pads are very thin and designed to eliminate pad-stalling when using random orbital polisher. The dense composition of the pads allows for more control, which results in better cutting or polishing. These pads are built from a new foam composition that is meant to last through many rigorous cutting and polishing sessions.

**NEW POWER SCRUB HAND CLEANER  
\$8.95/Pt. \$13.95/Qt.**

Power Scrub Hand Cleaner is an abrasive hand cleaner utilizing natural walnut shells to easily remove ink, oil, paint, grease, tar and other soils from your hands. It penetrates deeply into the skin to loosen ground in grime, while the walnut shells scrub and clean. Power Scrub also conditions rough, chapped hands with glycerin and moisturizers and leaves skin smelling fresh and feeling clean and soft.

**NEW LEXOL CLEANING & CONDITIONING KIT  
\$15.95/8 Oz. \$25.95/Half Liter**

Lexol Leather Cleaner & Lexol Conditioner are properly pH balanced leather products that can be used on all leather components of the interior or exterior. Lexol Cleaner will quickly and effectively loosen dirt and grime without clogging leather pores or drying-out the hide. Lexol Conditioner is specially formulated to absorb into the leather hides to soften and preserve.

**NEW LEXOL CLEANING & CONDITIONING KIT  
W/ VINYLEX \$42.95/Half Liters**

Lexol Leather Cleaner & Lexol Conditioner are properly pH balanced leather products that can be used on all leather components of the interior or exterior. Lexol Cleaner will quickly and effectively loosen dirt and grime without clogging leather pores or drying-out the hide. Lexol Conditioner is specially formulated to absorb into the leather hides to soften and preserve. Vinylex is designed to clean and renew any vinyl, rubber or plastic surface in one easy step

**NEW DETAILER'S SPEEDY SURFACE  
PREP TOWEL COMBO \$24.95**

Our Medium Grade Detailer's Speedy Surface Prep Towel Combo removes paint decontamination by supplying a more effective method of removing bonded contaminants from automotive paint. Car enthusiasts demanded that makers of car detailing products provide them with an economical way of removing bonded contaminants from their vehicle's painted surfaces.

**NEW TURBO SHINE PLUS WATERMELON  
SCENTED AEROSOL DRESSING \$8.95**

Turbo Shine Plus is a non-foaming, body shop safe car interior aerosol trim dressing that works instantly and provides a water resistant gloss shine. Safe for use in paint shops or other facilities where the presence of silicone may interfere with coatings. Great to brighten and renew vinyl and plastic surfaces like AC vents, plastic dash board trim, door pockets, consoles, shifter boots and door and trunk weather seals.

**NEW GET A GRIP DISPOSABLE  
NITRILE GLOVES \$18.95**

These Disposable Nitrile Gloves are powder free and manufactured from 100% nitrile compound and contains no natural rubber latex. Strong, flexible, ambidextrous, beaded cuff, non-latex, and offers maximum comfort. Packaged in box of 100 for Large Sizes & 90 for Extra Large Sizes.

**NEW ECONOMY STRIPED DRESSING APPLICATOR  
\$1.95/Each \$7.95/6 Pack**

Our Economy Priced Striped Dressing Applicator can be used to evenly apply dressings to tires, moldings, interior vinyl, and leather. This dressing applicator is made from professional grade cloth with a spongy inner material.
