## **MICROFIBER CHENILLE WASH MITT \$6.95**

Our Green Microfiber Chenille Wash Mitt is softer than cotton and more absorbent than sheepskin, giving your vehicles the benefits of more lubrication and fewer swirls. This wash mitt is covered in thick, microfiber chenille threads. Chenille refers to the construction of the strands; many fine microfiber threads are bunched together to create plush strands. These strands hold a lot of soapy water to lubricate your vehicle's paint as it gently washes away dirt and grime. The mitt has an elastic cuff, cloth loop to hang it and two sides of fluffy chenille. One size fits all.
